**FRIENDS**  
of the  
**Seattle Animal Shelter**

Since 1972, Seattle Animal Control has helped reunite thousands of lost pets with their owners. We are committed towards improving the safety of the community, reducing pet overpopulation, adopting animals into loving homes, and improving the lives of animals and people alike.

♥ **Help The Animals Fund** - Used to purchase toys, treats and blankets for homeless animals; provide animal carriers, collars and leashes for low-income and elderly; provide extraordinary veterinary care for animals that have been subjected to animal cruelty; and pay for medical care to rehabilitate sick and injured animals that would otherwise be euthanized.

♥ **Off Leash Area Fund** - To help create, maintain and provide amenities for off-leash areas in Seattle Parks.

♥ **Pet Population Control Fund** - To reduce pet population through Seattle's low cost Municipal Spay and Neuter Clinic. Donations may be used to pay for the spaying and neutering of pets owned by low income or elderly persons, promote public awareness about the benefits and importance of spaying and neutering, or to purchase new spay and neuter technology that the clinic may not otherwise be able to obtain.

Additionally, the Seattle Animal Shelter has a wonderful volunteer program and there are many opportunities available:

- ♥ Dog walking
- ♥ Bathing/grooming
- ♥ Obedience training
- ♥ Special events
- ♥ Fundraising/marketing
- ♥ Pet Therapy

If you would like more information on becoming a volunteer, please call 615-0820. If you are interested in making a donation to the Seattle Animal Shelter, please make your check payable to the appropriate fund and send it directly to:
